Terms and Conditions

The English Experience

School of English

Love Learning English with the English Experience.

10. Infectious Diseases

In the event of an outbreak of an infectious disease, all students and or parents/guardians are required to comply with rules regarding quarantine as set by government agencies or by the school.

11. Public Holidays

If a Public Holiday falls within your chosen course dates, the programme may be altered accordingly.

12. Supervision

Minors are to be accompanied on the visit by a responsible adult appointed by the Party Leader who will have total responsibility for the conduct of the minors under their control for the duration of the visit. In particular it shall be the responsibility of the adult to ensure that all local laws are obeyed including those relating to the consumption of alcohol and drugs. Party Leaders are also responsible for the behaviour of their students at all times. The English Experience reserves the right to change the accommodation of the student, or ask the student to return to their home country in circumstances where the student has caused offence, damage, danger or distress to others. In this event The English Experience's obligations to the individual in respect of the visit cease immediately. In the case that the student must return to their home country, the fees will be non-refundable, and the parents/guardian of the student will have to make arrangements for the departure of the student at their own cost.

13. Student Conduct

Students are expected to follow the school Code of Conduct set out in the Student Handbook, and behave in a fitting way whilst representing The English Experience throughout the duration of their stay, including whilst taking part in their activity programme and within their accommodation. If a student demonstrates disruptive behaviour and breaks the Code of Conduct, we reserve the right to issue a warning and if there is no improvement, send them home at their parent or guardian's expense.

If a student breaks the school Code of Conduct by committing a serious offence, or breaks the law, especially if a student is caught buying or using illegal drugs or shoplifting, we reserve the right to send them home without warning at the expense of their parent or guardian.

14. Medical

At the time of registration, you MUST make The English Experience aware of any medical conditions or information regarding health. The school should also be notified of any concerns or issues about the child's welfare or personal life.

If a student has to be repatriated due to illness or accident, the Party Leader(s) and the school will collaborate to ensure a swift resolution.

15. Location of Lessons

In the summer, some classes may be held off site at a nearby location.

16. Accommodation

Homestay

The students stay with local hosts in their homes. The host will provide breakfast and dinner and packed lunches. All students are expected back at their own accommodation by the time allocated by their group leader (or by 21:00 latest). The responsibility for the conduct of the students during this time remains with the individual student or with the appointed adult in the case of minors. Students may be in a shared room with 1 other student per room (unless specifically agreed otherwise with a parent/agent) and a maximum of 4 students in one house.

17. Privacy

Registering with The English Experience means you consent to the school storing and using your information. Any personal data that you supply to The English Experience will be held and processed only for the purpose for which it is supplied. We ensure that all personal data is captured, held and processed in accordance with the GDPR (General Data Protection Regulations). The information you supply will be given to third parties only within the provision of this Act.

18. Photography

The English Experience may use film or photos of students taken in the school, host families or on excursions for promotional purposes. You (the parent or guardian) must inform the school in writing before the start of the course if you will not allow us to use these images.

19. Complaints

If you have a complaint, you should report it as quickly as possible to the appropriate person as listed on the Complaints Policy and Procedure. Please do not wait until returning home before reporting a problem. Each student will also be provided with an emergency telephone number which will give immediate access to the local organiser or their appointed agent. All complaints will be recorded and filed after being investigated and are treated with respect and privacy. If there is need to take the complaint further, the student can contact The British Council.

20. Group Leaders Police Check

The school requires that group leaders have a police check or a certificate of good conduct from their own country. If dealing with a group leader directly, (e.g. the teacher of a school group) the organisation would need to see a copy of this. If working through an agent, the organisation must have a signed agreement that the agent will only send group leaders who have received clear local police checks, but the organisation does not need to see copies of those police checks.

21. Letters of Consent to Travel

Different airline companies / countries need letters of consent to travel / documentation / written permission from a parent/guardian. Failure to provide documents/letters may prevent a child from travelling/leaving an airport. Therefore, any additional costs incurred because of this will need to be paid for by the Party Leader.

22. Payments

The Party Leader is responsible for paying any bank charges associated with their payments.

These terms and conditions do not apply to English Camps overseas. Please contact The English Experience for full details.
